Room-Making Sale of FINEST FURS

\$15.000 Worth of Fur Garments, Fur Sets and Separate Pieces to Be Sacrificed. Savings of 25% to 33%.

We find ourselves crowded for room in our new store, and 'are compelled to sacrifice a part of our stock to relieve this condition. Beginning tomorrow we shall inaugurate a "Room-making Sale" that has for its purpose the prompt disposal of more than \$15,000 worth of High-class Furs which we have marked at generous reductions for clearance.

The advantage of buying your furs now will be seen not only in the sacrificed prices we are quoting, but in the marked superiori-ty, individuality and high character of Saks Furs, which are in a class by themselves.

All our Furs were bought long before the advance in prices, and this in itself means a saving of fully 25 per cent. Look around -make a comparison of prices and qualities—then come here and convince yourself that you can buy to the best advantage

We offer a special service in the skillful remodeling of furs to conform to the newest style ideas. Special prices during the months of October and November.
